

It is confirmed that the directions of the **INSTALLATION MANUAL, USE AND MAINTENANCE** have been complied with and in particular the following tests were performed: (please tick the applicable tests performed)

Functional areas are respected, positioning is perfectly level and ensures the regular operation of the unit	YES	NO
The accessibility for maintenance is guaranteed and the safety distances comply with the requirements	YES	NO
The transmission of vibrations is limited with suitable expedients	YES	NO
The power supply is available and conforms to the data plate	YES	NO
The power supply can be easily interrupted	YES	NO
External links and joints are made	YES	NO
There are devices for remote control	YES	NO
If so, indicate which: remote ON-OFF A-Link Supervision Other		
The compressors crankcase heater are powered (at least 12 hours before starting the unit)	YES	NO
The pipes are connected, the plant is completed, filled and purged	YES	NO
Indicate the fluid contained in the plant : Water ETHGLY % Other		
The water inlet filter is installed	YES	NO
Flow switch, differential pressure switch, control and interlock for pumps are connected and tested	YES	NO
ATTENTION: for water chillers and heat pumps the installation of a water inlet filter close to the unit (max 2 m) and of a flow switch is MANDATORY. These components must be installed prior to circulate water in the unit, otherwise warranty expires immediately.		
It is guaranteed a suitable water flow rate for the full operation of the unit	YES	NO
The air inlet and outlet are free or properly ducted	YES	NO
The air inlet and outlet ducts are connected, completed and verified	YES	NO
The condensate drains are properly installed and verified	YES	NO
The gas supply and the scavenging system are completed and comply with current regulations	YES	NO
The refrigerant pipes are connected, the system is completed, inspected and subjected to leak test	YES	NO
The refrigerant circuit is in compliance with current regulations and the vacuum has been run on all its parts	YES	NO
Oil filling was made if necessary (amount of oil supplied liters)	YES	NO
Vacuum broken and the refrigerant charge was made (amount of refrigerant kg)	YES	NO
Special tests performed on the system : (please tick the applicable checks performed)		
The power supply is available on each unit, in compliance with the data plate and and it is easily divisible at least for groups	YES	NO
The serial cable is in accordance with the instructions contained in the installation instructions/wiring diagrams/manuals	YES	NO
The serial cable has been laid according to the instructions contained in the installation instructions/ schemes/manuals	YES	NO
Neither closed rings or star connections have been made	YES	NO
There are no intermediate joins in the routes from device to device	YES	NO
The serial cable does not run together with power cords, and not cross the junction boxes containing the power cables	YES	NO
The overall length of the serial cable is less than 1000 m	YES	NO
Was verified that there are no polarity inversions along and between the sections of the serial line nor short circuits	YES	NO
Was verified the electrical continuity between the serial cable sections	YES	NO
Was verified that the serial cable shield is connected as shown on the wiring diagrams	YES	NO
Is available a plan of the building with the directions of the positioning of the units, the numbering of the units, the direction of each unit, the distribution of the serial cable and the indication of the complete terminal units of inserted terminal resistance (the document must be sent attached to this to allow for proper planning of the technical intervention)	YES	NO

ATTENTION: To allow an efficient organization of the technical intervention, every section of this form must be completed in full and transmitted, complete of any attachments, **at least 10 days in advance of the required date.**

PRIVACY STATEMENT

A Group S.p.A. located in San Zenone degli Ezzelini 31020 (TV) ITALY, Via Montegrappa, 67, VAT Number IT 02312110261, as data controller (hereinafter, "Data Controller"), informs you pursuant EU Regulation no. 679/2016 ("GDPR") and the applicable national legislation on Data Protection, that your personal data shall be processed according to the following modalities and for the following purposes:

1. Object of the Processing

The Data Controller processes identifying - non-sensitive - personal data (hereinafter "Data" or "Personal Data") (particularly, name, surname, ID, tax code, address, email, phone number, etc.), communicated by you during the signing of the contract with the Data Controller or request for services and products of the Data Controller, or even later.

2. Purposes of Data Processing

Your Personal Data are processed for the following purposes:

A. Without your prior consent, for Contractual Purposes:

- Conclude, execute and manage the contract, providing the services of the deriving from the commercial offer of the Data Controller and manage technical assistance, billing services, complaints and any disputes, sending service messages, data recovery, prevention of frauds and/or illegal activities;
- Manage a contact request from you;
- Exercise the rights of the Data Controller, such as the right to defence in court;
- The compliance with obligations established by laws, regulations or by EU legislation or imposed by the Authorities.

B. Only prior your consent, for Marketing Purpose and precisely to:

- Inform you by means of emails, of the initiatives and product news of the Data Controller. Moreover, if it is already our client, we might send you commercial communications to the email address you provided us, relating product and services of the Data Controller, which you have already used.

3. Modalities of Data Processing

The processing of your Data is carried out, both according to hard paper and electronic modalities, by means of data collection, registration, organization, storage, consultation, elaboration, amendment, selection, mining, confrontation, usage, interconnection, blockage, communication, cancellation and destruction operations.

4. Data Storage

The Data Controller shall process the Personal Data for the time necessary to fulfill the above purposes and anyway for no longer than 10 years after the end of the contractual relationship and for no longer than 2 years since the collection for Marketing Purposes.

5. Access to Data

Your Data may be made accessible for the purposes mentioned above to:

- employees and/or collaborators of the Data Controller, in light of their role of persons in charge of the processing and/or internal Data Processors and/or system administrators;
- third companies or other subjects (e.g. IT service providers, providers, credit institutes, professional firms, etc.) carrying out outsourcing activities on behalf of the Data Controller and processing Data as external Data Processors.

6. Data Communication

Your Data may be communicated, even without your prior consent, upon their request, to control bodies, police or judiciary bodies, Budgetary Ministry, Tax Authority, ministerial bodies and competent Authorities, Local Institutions (Regions, Provinces, Municipalities), Regional and Provincial Tax Commissions that will process them in their quality of independent Data Controllers for institutional purposes and/or pursuant to the law during investigations and controls. Moreover, your Data may be communicated to third subjects (for example partners, independent contractors, agents, etc.) that will process them as independent Data Controllers to carry out activities that are instrumental to the above purposes.

7. Data Transfer

Your Data are stored within the EU territory.

Your Data may be transferred to countries outside the EU

8. Nature of the Data provision and consequences of a refusal to answer

The provision of Data is mandatory for Contractual Purposes: these Data are necessary to benefit of the services of the Data Controller and should you decide not to provide your Data, you will not be able to benefit of the services of the Data Controller. The provision of Data for Marketing Purposes is voluntary and should you decide not to provide your Data, you will not be hindered in the use of such services of the Data Controller. If you decide not to provide your Data, however, you will not be able to receive our commercial communications any longer.

9. Data Subjects' Rights

The Data Controller informs you that, in your quality of Data Subject, you have the rights to:

- obtain confirmation over the existence or inexistence of Personal Data relating you, even if not yet registered, and their communication in a comprehensible way;
- obtain the indication and, if necessary, the copy of the: a) source and category of the Personal Data; b) logic applied in case the processing is performed by means of electronic instruments; c) purposes and modalities of the processing; d) identification references of the Data Controller and the Data Processors; e) subjects or categories of subjects to whom Personal Data may be communicated or who may come to know, f) period for which the Personal Data will be stored, or if that is not possible, the criteria used to determine that period; g) existence of an automated decision-making process and, in this case, information about the logic involved, the significance and consequences for the data subject; h) existence of adequate safeguards in case of transfer of Personal Data to an extra EU country;
- obtain, without undue delay, the update, the rectification or, whether you are interested, the integration of incomplete Data;
- obtain the cancellation, the transformation into anonymous form or blocking of the Data: a) processed in breach of the law; b) no longer necessary in relation to the purposes for which the Data have been collected or subsequently processed; c) if you withdraw consent on which the processing is based and there is no other legal ground for the processing; d) if you object to the processing and there are no overriding legitimate grounds for the processing; e) in compliance with a legal obligation; f) referred to children. The Data Controller may refuse to erase them when the processing is necessary: a) to exercise the right of freedom of expression and information; b) in compliance with a legal obligation, for the performance of a task carried out in the public interest or in the exercise of official authority; c) for reasons of public health interest; d) to achieve purposes in the public interest, scientific or historical research purposes or statistical purposes; e) for the exercise of legal claims;
- obtain the restriction of processing when: a) the accuracy of the Personal Data is contested; b) the Data processing is unlawful and the Data Controller opposes the erasure of the Personal Data; c) Data are required by you for the exercise of legal claims; d) pending verification whether the legitimate grounds of the controller override those of the data subject;
